

National Association for Down Syndrome
Post Office Box 206, Wilmette, IL 60091

January 2, 2010

Dear Friends,

The National Association for Down Syndrome (NADS) is sponsoring its 25th Annual Bowl-A-Thon on March 7, 2010. We are asking for your help in making this event a success through the donation of a gift certificate or merchandise for our raffle. The proceeds of this event will help support the critical programs we provide for children and adults with Down syndrome and their families.

Down syndrome is a chromosomal disorder that results in delays in physical and cognitive development. NADS is a not-for-profit organization that primarily serves families in the Chicago metropolitan area. In fiscal year 2009, 93 cents of every dollar of NADS revenue was used directly to support the programs we provide. In order to continue to fulfill our mission we are asking for your support.

We encourage our members to patronize those businesses that support us. We will publicize your donation on the day of the event as well as in our newsletter and on our website.

We thank you for your consideration and support. Our Federal Tax Exempt Identification Number is: EIN: 36-2592338 and your donation will be considered a charitable contribution.

Sincerely,

Joe Clayton
