

DFA is a national network of college students using design to create local and social impact. We are bringing together 80 students from 29 universities to design for:

Enhancing the lives of those affected by Down Syndrome

We are seeking children, teens and adults with DS, family members, experts, and caregivers, to share their stories.

DESIGN *for* AMERICA

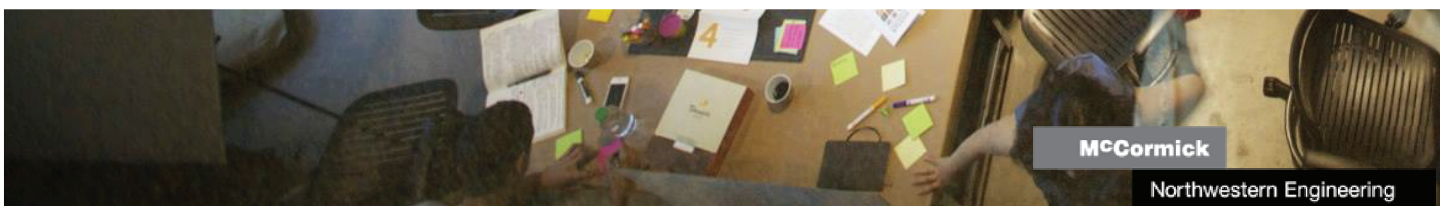

Friday Aug 7th 1:00-2:00pm (share your stories)

Sunday Aug 9th 10:30am-12:00pm (give feedback on initial concepts)

Free lunch provided at noon

2133 Sheridan Rd, Evanston IL

\$20 compensation for each day's participation

We understand that these experiences may be difficult to express, we appreciate everyone's willingness to share your stories with us so that we can design better solutions.

If you or someone you know would like to get involved in this project, please let us know by contacting Sami Nerenberg via email sami@designforamerica.com. Or call: 847-467-4695
