

NADS GOLF OUTING

Register @ nads.org/events/2021-nads-golf-outing/
Scramble Format

This format is fun for non-golfers and experienced golfers! A Scramble eliminates some of the hacking while keeping everyone engaged.

Each player hits a tee shot, selecting the "best" out of the bunch to play their second shot from. Group repeats this process until the hole is finished.

The logo for NADS (National Association for Down Syndrome) features the word "NADS" in a large, white, serif font with a stylized golf club head integrated into the letter 'A'. Below it, the full name "National Association for Down Syndrome" is written in a smaller, white, sans-serif font.
